JOY GELATO

JOY, il gelato dove vuoi.

I **banchi pozzetti ventilati JOY** possono essere indipendenti o canalizzati e sono disponibili in versione mobile con ruote oppure in versione fissa con piedini regolabili. Grazie alle **ruote girevoli**, JOY può essere facilmente movimentato all'interno e all'esterno del locale.

JOY, gelato where you want it.

JOY ventilated pozzetti gelato counters can be free-standing or in-line and are available in mobile wheeled version or fixed version with adjustable feet.

Thanks to its **castor wheels**, Joy is easy to move around inside and outside the venue.

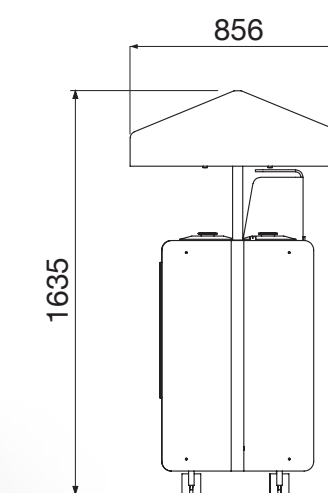

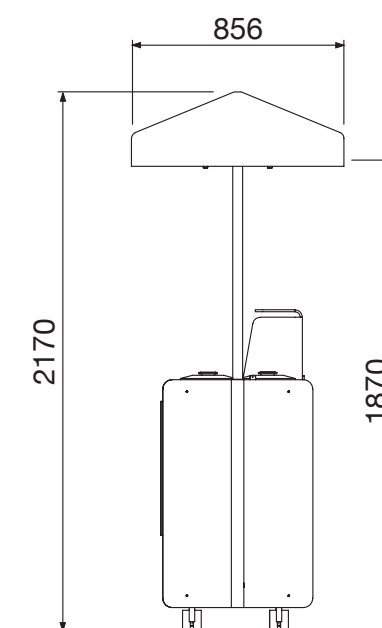

JOY GELATO

Cappottina telescopica in tessuto acrilico regolabile in altezza.

Disponibile in colore grigio e azzurro. Struttura in acciaio con mensola e illuminazione a LED (optional).

Height-adjustable acrylic fabric canopy roof.

Available in grey and blue. Steel structure with shelf and LED lighting (optional).

Il **cestello in plastica** viene inserito nell'**apposita carapina in acciaio inox** per una produzione del gelato lontana dai punti vendita.

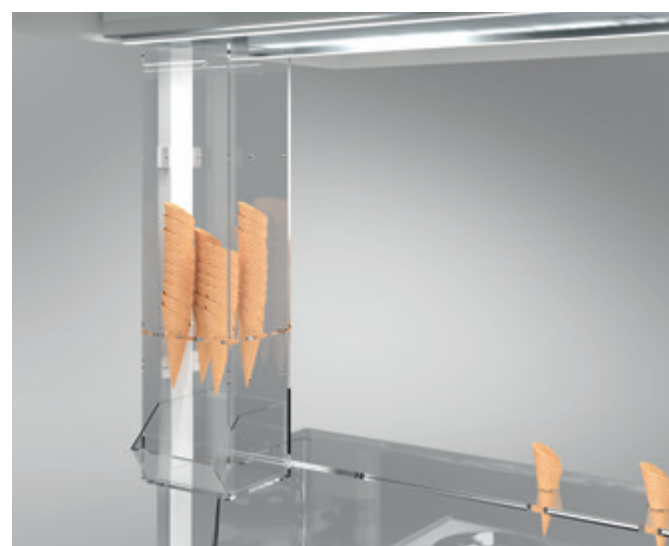

The **plastic basket** is placed inside the **special stainless steel carapina** for distribution of ice-cream from centralised production units.

Cappottina disponibile solo per JOY Gelato (escluso JOY Wood)

Canopy roof available only for JOY Gelato (except JOY Wood)
